MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Garrison Policy Memorandum #41, Army Lodging Long Term Temporary Accommodations

1. Reference. AR 210-50, Housing Management, 26 February 1999.
2. Fort Drum Army Lodging provides a wide variety of room accommodations. For short term, the Fort Drum Inn is used by our transient population, visiting guests or severely injured Soldiers. Lesser quality room accommodations are also maintained in renovated World War II facilities for Reserve and National Guard summer annual training needs. These latter facilities have limitations that restrict handicap use and mandate male/female building segregation due to single bathroom availability.
3. Fort Drum Army Lodging's mission is to provide the best short-term room accommodations to authorized customers. To ensure our Reserve and National Guard units mobilized at Fort Drum for long periods are provided the best room accommodations within fiscal constraints, our summer lodging facilities have been converted to long term use. To ensure the fairest distribution of renovated World War II two-bedroom accommodations while remaining within limited fiscal funding criteria, double room assignment will be made to E-7 and above only, and, on a first-come, first-served basis regardless of rank, race, color, religion, and national origin. When demand exceeds double room availability, a waiting list will be maintained to allow the longest entitled individual to secure the next available room.
4. POC is Jan Hunter, Army Lodging Manager, at 772-9683, or e-mail at jan.hunter1@us.army.mil.
